The Young Interpreter Scheme provides additional support to pupils who are learning English as an Additional Language (EAL), to their families and to schools.

To set up our award-winning scheme, schools can buy into our Guidance Pack which practitioners can access through Moodle, an exclusive and interactive virtual platform where guidance and advice are provided along with the latest news and events relating to the scheme.

For details of the scheme, visit our website or contact Astrid Dinneen, [astrid.dinneen@hants.gov.uk](mailto:astrid.dinneen@hants.gov.uk).
